

## ***2003 BOARD OF MANAGEMENT REPORT***

Members: Bob Beesley, Carl Redekop, Maurice van Nes, Albert Klassen, Todd Hardy, Derek Oatway  
Chairperson: Ross Hardy

In a recent devotional about love the writer in his comments stated “His (God’s) love is more than a decision. It is a commitment as well. Because our heavenly Father genuinely loves us, He is committed to our happiness, our security, and our well being.”

In our current provincial economic circumstances I began to understand anew His love for His people and His Church. Throughout the year of 2003, the finances of the conference struggled, month by month, sometimes we wondered how the basic monthly costs would be met. We were encouraged with how the churches took on the budget commitments made at the Conference. A substantial budget, that looked at outreach and growth within the Conference. It was exciting to see how God moved and touched our people. I wish to thank God and you for your love, as the writer above said, it was not only a decision, but a commitment to see the work proceed.

Some of the things that occurred in 2003:

- Salary Grid for 2004
- Liability Insurance for the Conference – hope to have an update for the conference
- Reaffirmed the work in Moose Jaw
- Sale of the “old property in Moose Jaw to another church group
- Assisting in the closing of the Regina Chinese Church and setting up of trusteeship of the ministry.

Board of Management Recommendations:

1. To accept the Financial Statements for 2003
2. To accept the Auditors Report for 2003
3. To accept the Budget as presented for 2004
4. To accept the suggested Conference norm of \$65.00 for 2004
