## This is our story...

This year, we invite you to experience Family Life Network through these pictures that describe the process of production. Walk through and enjoy the steps to sharing God's life-giving story through radio and television.

(We thank our cartoonist, Lorie Barkman, for his original art.)

### 1. Scripting

Our radio scripts are written in 8 languages: Arabic, English, German, Low German, Russian, Spanish, Tartar and Ukrainian. Our TV scripts are written in Arabic and Russian. Our team members of 12 nationalities have lived or worked in 21 different countries. Meet the whole team at [www.fln.ca](http://www.fln.ca)

### 2. Artist development

Musicians and composers are recorded and mentored at our Winnipeg studios as well as in Ukraine and at 5 studios throughout Russia. Hear the music at [www.avantere.com](http://www.avantere.com)  
Our *V2Live* music team shares godly values in schools, drop-in centres and First Nations reserves. See it in action at [www.v2live.ca](http://www.v2live.ca)

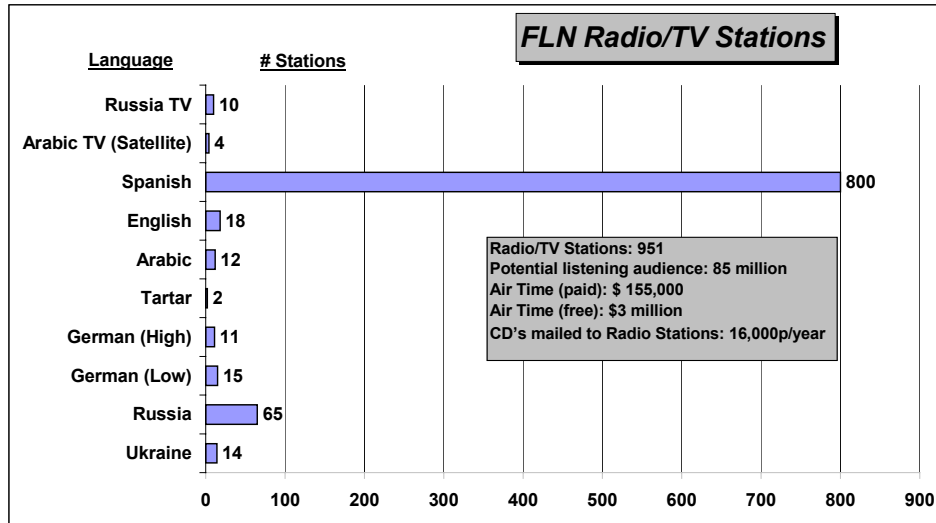

### 3. Recording

We capture the everyday person's spiritual experience through on-site interviews for radio/TV. In the last year: 151 Arabic, 60 Spanish, 28 English, 33 Russian as well as recording stories and sound effects with 1650 kids, teens and adults at 18 Canadian locations. Experience the story at [www.cpk.ca](http://www.cpk.ca)

### 4. Editing

A 45-minute interview for radio requires 6-8 hours of work to whittle down to 10 minutes of airtime; 25 hours of work and 2 pots of strong coffee are needed to record and edit one original song to a professional CD; one 26-minute Arabic TV program requires videotape the length of 4 football fields. Taste the Arabic flavour at [www.inarabic.org](http://www.inarabic.org) (produced jointly w/MBMSI)

## 5. Broadcasting

About 950 stations in 51 countries receive our CDs or videos to air locally. In addition, more than 4 satellite networks transmit our programs around the world. Hear this week's sound bytes at [www.godtalkradio.ca](http://www.godtalkradio.ca)

## 6. Mailing

Besides the 16,000 program CDs to stations this year (4 programs per CD), we mailed 2800 Spanish newsletters to Spanish stations and 19,200 English newsletters. We depend on about 40 volunteers to package mailings.

*"He also said: this is what the kingdom of God is like. A man scatters seed on the ground. Night and day, whether he sleeps or gets up, the seed sprouts and grows, though he does not know how. All by itself the soil produces grain--first the stalk, then the head, then the full kernel in the head." Mark 4:26-28*

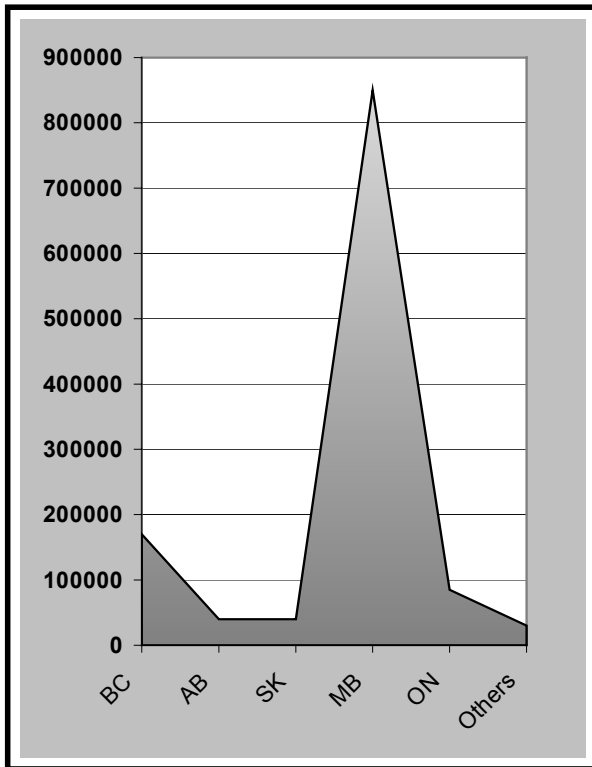

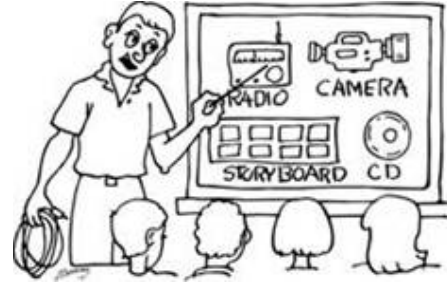

## 7. Follow-up

During the last year 9000 Arabic emails arrived; 1000s of booklets, Bibles, videos and CDs in 8 languages went out to listeners around the world; 850 hours/1,000,000 people in outreach dialogues in Arabic Internet chat rooms; 42 Arabic contacts earned a certificate for completing a correspondence course; each week 600 Arabic listeners meet in a Virtual/Chat Church; hundreds in Latin America accepted Jesus at live events, through our programs or through counselling; 1500 Spanish counselling calls/emails were answered; at least 61 coffees got cold while answering Spanish counselling calls during lunch hour. Tune your Spanish ear to [www.encuentro.ca](http://www.encuentro.ca)

## 8. Learning and teaching

We learn as we go and we share what we learn with others. This year: 72 students at the Russian radio/TV school; 42 Latin American church leaders; 32 Canadian high school students; 4 summer interns; university campus radio producers.

## 9. Supporters and partners

We stay "plugged into the Source" through faithful supporters who pray for us every day; more than 15 people work as volunteers in creative production; all programs are produced and mailed solely through the donations of faithful supporters; some of our programs are fully sponsored on secular stations by grateful people who came to know God through our programs.

**From our whole team - THANK YOU!**

*"It does not, therefore, depend on people's desire or effort, but on God's mercy."
