

"STEWARDSHIP MINISTRIES"

AN AGENCY OF THE CANADIAN CONFERENCE OF MENNONITE BROTHERS CHURCHES

Stewardship Ministries takes this admonition of Jesus, seriously. We seek to make faith practical and visible, like a circle of light in a very dark world.

OUR PURPOSE is to be a practical resource for individuals, churches and Mennonite Brethren organizations in the use of material possessions to the glory of God, and to carry out the ministries to which we are called, within our families, communities and the world beyond.

WE HAVE SPECIFIC GOALS IN ORDER TO ACHIEVE THIS PURPOSE.

FINANCIAL

- > Personal or group financial teaching and counseling
- > Money Management Financial Seminars

INVESTMENT OPPORTUNITIES

- > Provides an opportunity to invest funds in the Conference's Deposit Fund and RRSP program..
- > While on deposit, these funds are used to meet the borrowing needs of our churches, pastors and other ministries..

ENDOWMENT FUND

- > Endowment gifts, including memorial endowments set up in remembrance of a loved one. The endowment can be structured to reflect the donor's wishes as to the ministries to benefit, and the details of the benefit.
- > Provides a means of directing gifts to specific ministries of choice in a manner designated to provide long term, stable support.

WILLS & ESTATE PLANNING MINISTRY

- > Is a key ministry of our Department.
- > It is intended to assist the people who attend our congregations to:

- > Have their Will prepared without cost or obligation.
- > Organize their personal estate affairs in order to provide for their families and to reduce estate costs and inconveniences.
- > Provide an opportunity to discuss a ministry gift appropriate in the context of the family's needs.

These Estate gifts have become a significant source of support to our churches and ministries.

- > We encourage provincial ministries to inform their supporters of this giving option.
