Audit Report

Dear Board Members;

I have examined the financial statements of the Sask. Conference of M. B. Churches and reviewed their accounting procedures and feel that they fairly represent the financial position of the organization for the twelve month period ending December 31, 2005.

My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances, except as explained in the following paragraph.

In common with many charitable organizations, the organization derives revenue from personal donations the completeness of which is not susceptible of satisfactory audit verification. Accordingly, my verification of these revenues was limited to the amounts recorded in the records of the organization and I was not able to determine whether any adjustments might be necessary to the donation revenues.

In my opinion, except for any adjustments which might be determined necessary because of the preceding paragraph, these financial statements present fairly the financial position of the Sask. Conference of M. B. Churches as at December 31, 2005 and the results of its operations and the changes in its financial position for the twelve month period then ended, in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Yours truly,

Arthur Harder, B. Comm.
