

## **Board of Management Report**

*Fear God and keep his commandments, for this is the whole duty of man.*  
Ecclesiastes 12:13b

We are very thankful to the Lord for giving wisdom and understanding over this past year. God has walked with us in some interesting situations this year.

First notably to me, was the transfer of one of our board members, Maurice van Nes, to Manitoba. Maurice provided great wisdom to our board and was greatly missed.

Second was the financial struggle that one of our camps - West Bank, went through in late fall. Praise the Lord for what He has done there both spiritually and financially since I was first informed of this struggle in October.

The Lord has pulled things and people together in ways that have completely amazed me.

The Conference is in great shape financially and the Spirit is moving in our churches.

It is a great privilege for me to announce that we have ended 2006 with a budget surplus of \$9,648.07. Overall giving was down from the previous year, but our boards really watched their spending in 2006. I would like to thank the boards for being great stewards of the budget resources they were given in early 2006.

So what is happening in 2007? Well .... As we going into this Convention we are looking to fill three positions on the Board of Management. I would like to thank the following gentlemen who served faithfully this last year and who are serving in other areas of ministry in 2007: Derek Oatway and Shawn Schellenberg.

We also have to finish up a few policies this coming year, and will most likely need to be looking for outside help to finish what has been started. We are looking at the salary grid to see if it needs revision. Church feedback will need to be received on these items.

I would like to thank Pat Dergousoff for his continued effort and dedication as our Secretary Treasurer of the Conference.
